

REMINDER: Sysco to Webcast Presentation From the 2013 Consumer Analyst Group of New York Conference

Feb 13, 2013

Sysco Advises Investors to Access Its Website for Public Disclosure of Investor Presentations and Other Financial Updates

HOUSTON, Feb. 13, 2013 (GLOBE NEWSWIRE) -- Sysco Corporation (NYSE:SY) will webcast its presentation from the 2013 Consumer Analyst Group of New York (CAGNY) Conference in Boca Raton, Fla., on Tuesday, February 19, 2013, at 4:15 p.m. Eastern.

Following the presentation, Sysco will host a dinner for CAGNY attendees featuring a three-course meal created by celebrity chef and longtime Sysco customer, Robert Irvine. Sysco recently announced a multi-platform marketing relationship with the Food Network, its highly rated show "Restaurant: Impossible," and Chef Irvine.

The live webcast and presentation materials can be accessed at www.sysco.com/investors. An archived replay of the presentation will be available shortly after the live webcast is completed.

For purposes of public disclosure, including this and future similar events, Sysco plans to use the investor relations portion of its website as the primary channel for publishing key information to its investors, some of which may contain material and previously non-public information.

About Sysco

Sysco is the global leader in selling, marketing and distributing food products to restaurants, healthcare and educational facilities, lodging establishments and other customers who prepare meals away from home. Its family of products also includes equipment and supplies for the foodservice and hospitality industries. The company operates 185 distribution facilities serving over 400,000 customers. For the fiscal year 2012 that ended June 30, 2012 the company generated record sales of over \$42 billion. For more information about Sysco visit www.sysco.com.
