Q2 FY19 REVIEW

CORPORATE SOCIAL RESPONSIBILITY *Delivering A Better Tomorrow*

PEOPLE

We will care for people by:

- Giving back, doing good and changing lives in our communities
- Creating a diverse and inclusive work environment
- Empowering our associates, customers and the next generation to make healthy choices about lifestyles and diet

PRODUCTS

We will supply products responsibly by:

- Improving animal welfare in the food service industry
- Minimizing negative environmental, social or ethical impacts when we source products
- Ensuring that human rights are respected in our own operations and global supply chain

PLANET

We will protect and preserve the environment for future generations by:

- Advancing sustainable agriculture practices
- Reducing our carbon footprint
- Diverting waste from landfills

"Our second quarter results were in line with our expectations. We saw solid topline growth, while we continue making investments in our business, particularly in our international segment. We remain focused on exceeding our customers' expectations, while continuing to manage costs, and anticipate seeing additional benefit from our cost savings initiatives in second half of this fiscal year."

Tom Bené,
Chairman, President & CEO

¹ Certain statements made herein are forward-looking statements under the Private Securities Litigation Reform Act of 1995. They include statements that express management's expectations or beliefs regarding the future. Forward-looking statements can be identified by words such as "future," "anticipates," "believes," "estimates," "expects," "intends," "plans," "predicts," "will," "would," "could," "can," "may," and similar terms. These statements involve risks and uncertainties and are based on management's current expectations and estimates; actual results may differ materially. For a discussion of the factors that might cause such material differences, see sysco.com/investors.
